SUPERVISOR

Chickahominy District

Your Voice on
the Board

★ INDEPENDENT ★

Dear Friends and Neighbors:

As Hanoverians, we are blessed with beautiful, productive, historic and strategically located lands. Our situation encourages growth and change.

How can we continue to grow and change, yet protect what we love about Hanover?

I think you, the people, hold many of the answers.

But my experience in public affairs tells me that we are not being heard well enough by our elected and appointed leaders. As a result, we are losing what is special about Hanover, little by little.

We need to take command of our future. Let's vote for independence from partisan machine politics. Let's elect someone from among our own ranks to work for us.

Please vote Independent for Chickahominy Supervisor on November 8. We may never have a better chance to make our voices heard.

Thank you.

Jim
